Description

eAuction Property | Fourth Floor Storage Room in Grevena Auction Date: 08 October 2026, 10:00Auction Platform: eAuction Greece

An affordable investment opportunity through the Greek electronic auction platform, offering a dedicated storage unit in a well-established residential area of Grevena, Western Macedonia. The property concerns Storage Room located on the fourth floor of a residential building in the city of Grevena. The storage room has a total area of 10.15 sq.m. and forms part of a multi-storey residential building constructed in 1984. Its position within the building makes it suitable for private storage use or as an ancillary space serving residential properties in the surrounding area.

Area Description The property is situated in the eastern part of Grevena, within a densely developed residential neighborhood characterized by apartment buildings with ground-floor commercial uses and residential floors above. The location benefits from excellent accessibility and proximity to key points of interest, including: Approximately 420 meters from the General Hospital of Grevena Approximately 240 meters from the Mushroom Park Approximately 540 meters from Emilianou Square, the commercial center of the city

The neighborhood offers convenient parking availability and easy access to shops, public services and everyday amenities. Investment Opportunity Storage spaces in urban areas continue to attract increasing demand due to the limited availability of ancillary storage facilities in older residential buildings. This property may be suitable for: Private storage use Supplementary space for nearby apartment owners Long-term rental to local residents or businesses Low-cost investment with limited maintenance requirements Its low acquisition cost and practical utility make it an attractive addition to a diversified real estate investment portfolio.
